

Other industrial supply companies sell products based on a catalog. Lane Supply Company helps your business succeed by saving you time, reducing your costs, increasing worker safety, improving product quality, and reducing waste. With us, your organization is more effective and productive. That's why Lane has been in business more than 60 years, assisting companies across the U.S.

SOLVING YOUR SIGNAGE CHALLENGES

Faster production
Save money
Safer

Better quality
Less waste
More productivity

Consistency
Making your your life easier
Keeping your workforce happy

SIGNS THAT STAND OUT START WITH THE RIGHT PRODUCTS

- Structural adhesives with various cure times
- 3M VHB Tape for signage where mechanic fasteners won't work
- Abrasives for metal, plastic, and wood
- Dust-free abrasives
- Dual Lock fasteners for items that need to change out at a moment's notice
- PPE products for a safer work environment
